

# THE TAMPA HOME EDIT

Brittany Morales | SunCoast Realty Group | February 2026 Newsletter

Hola friends and neighbors,

February flew by and the Tampa market stayed busy. I closed four homes already this year and I am so grateful for the referrals from this community. Here is what I am watching and a few tips to start your spring.

## Market Snapshot

South Tampa homes are still moving in under a month, with median prices up about 4 percent over last year. Inventory is loosening slightly in Channelside, which is good news for first time buyers and condo shoppers.

## Staging Tip of the Month

The fastest way to add value before listing is light. Swap cool bulbs for warm ones, open every blind, and add one lamp per room. Buyers feel warmth before they read a single number.

## Just Around the Corner

I have a beautifully staged 4 bedroom pool home coming to Westchase this fall, and a charming bungalow in Seminole Heights. Reply to this email if you would like a private preview before they hit the market.

As always, if you or someone you love is thinking about buying or selling, I would be honored to help. Call or text me anytime.

Con carino,
