

RESIDENTIAL HOME INSPECTION REPORT

Bay Area Property Inspections | License HI-9921 | (813) 555-0288

Property: 12508 Westchester Estates Drive, Tampa, FL 33626

Inspection Date: October 9, 2026

Requested by: Brittany Morales, listing agent, pre listing inspection

Summary of Findings

System	Condition	Notes
Roof	Good	Architectural shingle, approx 6 years old
HVAC	Good	Two units, serviced, cooling within range
Electrical	Good	200 amp panel, GFCI present in wet areas
Plumbing	Satisfactory	Minor drip at primary bath faucet, recommend washer
Pool/Lanai	Good	Pump operational, screen intact
Foundation	Good	No visible settlement or cracks
Windows	Good	Double pane, seals intact

Overall the home is in good, sale ready condition. The only recommended repair is a faucet washer at the primary bath, an inexpensive fix. No major defects were observed. This pre listing inspection supports the asking price of 525,000 dollars and can be shared with serious buyers.
