## Terms of Service

- Carrier provides exclusive temperature controlled carriage for all domestic and imported wine shipments tendered by Shipper. Reefer units are held between 55 and 59 degrees Fahrenheit for the full transit.
- Shipper grants Carrier right of first refusal on all loads. In exchange Carrier holds rates fixed for the agreement term and guarantees capacity within 72 hours of booking.
- Carrier maintains continuous temperature logging. A breach of the temperature band that spoils stock is covered to 300,000 US dollars per load, coordinated with Shipper cargo insurance.
- The dedicated Italian import lane from the Port of Oakland is added under Schedule B, effective for the planned Piedmont and Tuscany program.

## Rate Schedule (per pallet)
