

Pro Bono Family Law Clinic

Fall Fundraiser - November 14, 2026

An evening to keep family law help free for the neighbors who need it most.

About the evening

The fall fundraiser is the one night each year that funds the clinic calendar. Proceeds cover the free intake clinics, the filing fee assistance for qualifying families, and the volunteer pipeline that staffs them. The clinic is organized through Hartwell and Greer Family Law, where the senior paralegal team runs the logistics alongside the volunteer attorneys.

Detail	Information
Date	Saturday, November 14, 2026
Time	Doors at 6:30 in the evening, dinner at 7:00
Place	Westside Community Center, Charlotte, North Carolina
Format	Seated dinner, short remarks, and a silent auction
Host	Pro Bono Family Law Clinic

Why we gather

Low income families face custody and support matters without counsel every day. A short consult often changes the outcome of an entire case. Demand has grown faster than volunteer hours can cover, and the clinic closes that gap one Saturday at a time. One family from this year will share a few minutes from the podium about what a free consult meant for them.

This year in numbers	Count
Families helped	318
Volunteer paralegals and attorneys	64
Guests expected on the night	110

The evening, hour by hour

Time	What happens
6:30	Doors open, welcome table and silent auction preview
7:00	Seated dinner begins

7:45	Remarks from the clinic team and a family story
8:15	Silent auction closes and winners are announced
8:45	Thank you and a final word on the year ahead

Ways to partner

Every sponsor is recognized in the program and from the podium. Choose the level that fits.

Level	What it supports
Advocate	Host a table for eight guests, name in the program
Counselor	Underwrite a season of intake clinics, recognition from the podium
Partner	Fund the year round volunteer pipeline and the training that goes with it

How to help

- Sponsor a table or underwrite a season of intake clinics.
- Donate a good or a service for the silent auction.
- Volunteer at the intake tables on clinic Saturdays through the year.
- Reply to the planning thread to confirm a sponsorship level by the Monday before.

Goal for the night: close the gap on next year's intake calendar. We are most of the way there.
