Cost-of-Living Adjustment
For: Samantha T. Long
Claim ending: XXX-XX-1958
December 2025

Your Social Security Benefit

Your benefit will increase by 2.5 percent in 2026 because of a rise in the cost of living. The new amount starts with your payment for January 2026.

Your monthly benefit before deductions in 2025	\$1,756.00
2.5% cost-of-living increase	+\$44.00
Your new monthly benefit for 2026	\$1,800.00
Medicare Part B premium (deducted)	-\$0.00 (paid separately)
Amount deposited each month	\$1,800.00

You will receive your payment on the second Wednesday of each month. If you have questions, the fastest way to reach us is your personal my Social Security account at ssa.gov/myaccount.

Keep this notice. You may need it for taxes or to prove your income.
