RE: 2027 NOAA Pacific Islands Regional Fellowship Program - Inquiry Acknowledgment

Reference: PIR-2027-FEL-0041

Dear Dr. Peterson,

Thank you for your letter of inquiry dated November 3, 2025, expressing interest in the 2027 NOAA Pacific Islands Regional Fellowship Program. We have reviewed your preliminary submission and are pleased to invite you to submit a full application.

Your proposed research focus on long-term coral reef health monitoring and community resilience in the Hawaiian archipelago aligns well with our program priorities in Pacific Island ecosystem health and community-based marine conservation.

Important Dates

Full Application Deadline:	January 30, 2026
Letters of Recommendation Due:	January 30, 2026
Supplemental Materials (CV, publications):	February 6, 2026
Review Committee Meeting:	Spring 2027
Anticipated Fellowship Start:	Fall 2027

Please note: submission of a full application does not guarantee selection. The 2027 program anticipates funding 3-5 fellows from across the Pacific Island region.

Application portal access and instructions will be sent to angela.peterson@Greenridertech.co within 10 business days of this letter.

Sincerely,

Marcus T. Hale, PhD
Program Officer, Pacific Islands Fellowship Program
