

CONTINUING EDUCATION WEBINAR SYLLABUS

Evidence-Based Approaches to Postpartum Hemorrhage

Prevention, Recognition, and Management in Birth Center Settings

Hosted by the American College of Nurse-Midwives (ACNM)

Education and Professional Development Division

DATE AND TIME

Date: December 5, 2026

Time: 10:00 AM to 1:00 PM Eastern Time

Format: Live webinar with Q&A via Zoom

Platform link: Registered attendees will receive a Zoom link by email 72 hours before the event.

CONTINUING EDUCATION CREDIT

Contact Hours: 3.0

Category: Clinical Practice

Accreditation: This activity is approved by the American College of Nurse-Midwives for 3.0 contact hours of continuing education credit. The American Midwifery Certification Board accepts ACNM CEUs for maintenance of certification.

Certificate of completion will be emailed within 5 business days of attendance.

REGISTERED ATTENDEE

Brian Elaine Santos, CNM

NC-CNM-20130847

Willow Creek Midwifery, Asheville NC

Registration Confirmation: ACNM-CEU-2026-PPH-04419

LEARNING OBJECTIVES

By the end of this webinar, participants will be able to:

1. Define postpartum hemorrhage using current evidence-based thresholds and explain the limitations of the traditional 500mL cutoff in clinical assessment.
2. Describe the four causes of postpartum hemorrhage (tone, trauma, tissue, and thrombin) and identify clinical indicators of each.
3. Apply a structured hemorrhage bundle approach consistent with ACOG and ACNM recommendations for both hospital and out-of-hospital birth settings.
4. Identify appropriate drug therapies for uterine atony, including oxytocin, misoprostol, carboprost, tranexamic acid, and ergotamine.
5. Demonstrate appropriate documentation and communication procedures for postpartum hemorrhage events requiring emergency transfer.
6. Review one case study of a birth center PPH transfer and identify decision points.

AGENDA

10:00 AM Welcome and housekeeping (5 min)

10:05 AM	Module 1: Redefining postpartum hemorrhage
10:25 AM	Module 2: Recognizing each of the four T
10:50 AM	Break (10 min)
11:00 AM	Module 3: The hemorrhage bundle in out-patient
11:30 AM	Module 4: Pharmacologic management (25 min)
11:55 AM	Case study: Asheville birth center trans
12:15 PM	Q&A with both speakers (25 min)
12:40 PM	Post-test and evaluation (10 min)
12:50 PM	Closing remarks and certificate information

FACULTY

Dr. Maya Osei, CNM, DrPH

Associate Professor, Georgetown University School of Nursing

Research focus: hemorrhage recognition in underserved birth settings

Suzanne Laird, CNM, MSN

Director of Midwifery Education, Emory Healthcare

Over 20 years in birth center and hospital-based practice

TECHNICAL REQUIREMENTS

Computer, tablet, or smartphone with internet access.

Audio via computer speakers or headset recommended. Phone dial-in available.

Pre-test will be sent by email November 28, 2026. Complete before the webinar.

Post-test required for full CEU credit. Passing score 80%.

CANCELLATION POLICY

Cancel before November 15, 2026 for a full refund. No refund after that date.

Substitutions accepted up to December 1, 2026.
