

Emergency Fund Statement

247 Euclid Avenue, Apt 2, Syracuse, NY 13210 | (315) 555-0166 | grace.hatfield@greenridertech.co

This statement tracks progress on the emergency fund, a high yield savings account that Grace funds with a fixed monthly contribution. The goal is a three month cushion that would cover rent, the loan payment, and basic expenses if work were ever interrupted.

Account

Account holder	Grace Hatfield
Account type	High yield savings
Goal	\$15,000.00 cushion
Monthly contribution	\$200.00
Current balance	\$8,500.00

Progress

Date	Description	Balance
Nov 30, 2025	Monthly contribution	\$8,100.00
Dec 31, 2025	Monthly contribution	\$8,300.00
Jan 31, 2026	Monthly contribution plus interest	\$8,500.00

Notes

The balance stands at about fifty seven percent of the target. Progress is deliberately modest because the student loan takes priority, but the contribution has not been skipped. Grace treats the fund as untouchable, a line of defense rather than a source of spending money, and expects to reach the goal within roughly three years at the current pace.

No withdrawals have been made from this account. Interest is small but compounds alongside the monthly deposits.
