Services this visit

Description	Amount
Monthly saltwater maintenance, screened pool	\$180.00
Pump inspection, grinding noise reported by owner	\$0.00
Diagnostic finding, worn pump bearing assembly	included
Total due this visit	\$180.00

Recommendation

The grinding originates from the pump bearing assembly. We recommend replacing the pump motor. Estimated cost for parts and labor is \$300 to \$500 depending on motor availability. This work is not included above and requires your approval before we schedule it.

Estimate, proposed motor replacement

Line item	Estimated amount
Replacement pump motor	\$220 to \$360
Labor and installation	\$80 to \$140
Estimated total range	\$300 to \$500

Next step

Reply to approve the motor replacement and we will schedule the work. Routine weekly saltwater service continues on the regular cadence in the meantime.
