1. SCOPE OF SERVICES

Consultant agrees to provide Client with trade compliance consulting services including, but not limited to, USMCA rule-of-origin analysis for automotive-sensor components, tariff classification review under the Harmonized Tariff Schedule of the United States, importer security filing preparation, and related advisory services as described in Exhibit A attached hereto. All services shall be performed by or under the direct supervision of Jason Robert Kim, US Customs Broker License No. 28471.

2. TERM

The initial term of this Agreement commences on October 14, 2025, and continues for a period of twelve (12) months, expiring on October 13, 2026, unless earlier terminated in accordance with Section 8. The Agreement shall automatically renew for successive twelve-month periods unless either party provides written notice of non-renewal at least sixty (60) days prior to the end of the then-current term.

3. COMPENSATION

Client shall pay Consultant a monthly retainer of five thousand two hundred dollars (\$5,200.00), due and payable on the first business day of each calendar month. Hourly advisory work beyond the retainer scope is billed at one hundred seventy-five dollars (\$175.00) per hour. All invoices are payable within fifteen (15) days of receipt. Late payments accrue interest at one and one-half percent (1.5%) per month. Travel and out-of-pocket expenses are reimbursed at cost with prior written approval.

4. CONFIDENTIALITY

Each party agrees to keep confidential all proprietary or non-public information received from the other party during the course of this Agreement, including trade compliance strategies, supplier data, tariff positions, and client records. This obligation survives termination for a period of three (3) years. Neither party shall disclose such information to any third party without prior written consent, except as required by applicable law or government authority.

5. INDEPENDENT CONTRACTOR

Consultant is an independent contractor and not an employee, partner, or joint venturer of Client. Consultant shall be responsible for all federal, state, and local taxes on compensation received under this Agreement. Nothing in this Agreement creates any employment relationship, and Consultant retains the right to perform services for other clients during the term hereof, provided such services do not create a conflict of interest with Client.

6. INTELLECTUAL PROPERTY

All work product, analysis, reports, and filings prepared by Consultant specifically for Client under this Agreement shall be the exclusive property of Client upon full payment of all fees. Consultant retains ownership of any general methodologies, tools, templates, and know-how developed independently of Client-specific work.

Consultant's total liability arising out of or related to this Agreement shall not exceed the total fees paid by Client in the three (3) months immediately preceding the event giving rise to liability. In no event shall Consultant be liable for indirect, incidental, special, or consequential damages. Consultant does not guarantee any particular outcome of customs examinations, tariff classifications, or compliance filings, as final determinations rest with applicable government authorities.

8. TERMINATION

Either party may terminate this Agreement for any reason upon thirty (30) days written notice to the other party. In the event of material breach, the non-breaching party may terminate immediately upon written notice, provided the breaching party has not cured such breach within ten (10) business days of receiving written notice of the breach. All fees earned through the termination date are due and payable.

9. GOVERNING LAW AND DISPUTE RESOLUTION

This Agreement shall be governed by the laws of the State of Ohio. Any dispute arising under this Agreement shall first be submitted to non-binding mediation before a mutually agreed mediator in Franklin County, Ohio. If mediation does not resolve the dispute within sixty (60) days, either party may pursue litigation in the state or federal courts of Franklin County, Ohio, and both parties consent to personal jurisdiction therein.

10. ENTIRE AGREEMENT

This Agreement, together with Exhibit A, constitutes the entire agreement between the parties with respect to its subject matter and supersedes all prior negotiations, representations, warranties, and understandings.
