Multi point inspection report

A complimentary multi point inspection is included with every service visit. Items are rated green for good, yellow for monitor, and red for attention needed.

System	Rating	Notes
Front brakes	Green	Pads at 60 percent
Rear brakes	Green	Pads at 70 percent
Tires	Green	Even wear, tread good, pressures set
Battery	Green	Tested strong, terminals clean
Wiper blades	Yellow	Light streaking, replace next visit
Fluids	Green	All topped to spec
Belts and hoses	Green	No cracking or leaks
Lights	Green	All operating

Advisor comments

Vehicle is in good overall condition and well maintained. No urgent items. Consider wiper blade replacement before the next wet stretch. Next routine service is due at 36,000 miles or in about six months, whichever comes first.
