Low-sodium chicken broth, 4 cartons
Tomato paste, 2 small cans
Olive oil, 1 bottle (almost out)
Walnuts, 1 bag (Emily says they help with cholesterol)
Maple syrup, pure, small bottle (for oat muffins only)
Dried thyme and dried rosemary (check fresh from garden first)

DOLLAR TREE (pick up before or after Hannaford)
Paper towels
Dish soap
Quart-size storage bags

White vinegar for cleaning

PHARMACY COUNTER (while there)

Check if Metformin refill ready - due February 19

Pick up extra pill organizer for Dot if they have the weekly kind

NOTES

Skip white pasta and white crackers this week, no matter what.

Karen has coupons from last week's Sentinel - call her before leaving.

Ask Dot if she needs anything from the store since the sidewalks are bad.

Farmers' market is closed until May - no point going downtown for herbs.

Check the clearance rack for canned salmon; it keeps well in the pantry.
