

Pediatric Allergy Action Plan

Bayou Children's Allergy and Asthma Clinic, 880 Bellfort Avenue, Houston, TX 77035

Patient	Arjun Patel
Date of birth	March 2, 2023
Confirmed allergy	Peanut, severe
Home address	5418 Glenmeadow Drive, Houston, TX 77096
Plan issued	January 15, 2026
Review due	January 2027

Avoidance

Strict avoidance of peanut and any product that may contain peanut. Read every label. Inform all caregivers, the preschool, and any restaurant before the child eats.

Signs of a reaction

Mild: a few hives, mouth itch, mild stomach upset. Severe: trouble breathing, swelling of the lips or tongue, widespread hives, repeated vomiting, pale or floppy appearance.

Treatment

Emergency contacts

Parent	Phone
John Patel	(713) 555-0147
Priya Patel	(832) 555-0134

Two auto injectors are kept at home and two in the preschool bag at all times. Replace before the expiration date.
