Mathematics	B+	Solid, building confidence with multi step problems
Science	A	A real strength, curious and careful
Social studies	A-	Engaged, good class contributions
Conduct	Excellent	Kind and focused, a model classmate

Teacher comment

Maya has had a wonderful semester. She brings energy to science and reading and is a steady, generous presence in the classroom. A small push on showing her steps in math will round out an excellent record. A pleasure to teach.
