Policy Conditions

This declarations page summarizes your coverage. The full policy contract governs all rights and duties. Coverage applies only to the vehicle and drivers listed, while used for ordinary personal driving and commuting. Business use for hire is not covered.

You must keep proof of insurance in the vehicle at all times and present it when asked by law enforcement or at vehicle inspection. Notify us within thirty days of any change of address, garaging location, drivers in the household, or vehicle use, as these can affect your rate.

In the event of a loss, report the claim as soon as reasonably possible. Cooperate with the investigation, protect the vehicle from further damage, and keep records of any repair estimates. Late reporting of a loss may affect coverage of the claim.
