Teacher Comments and Standing

Teacher Comments

Mr. Field, Intro to Business

Tyler is a natural. He asks sharp questions and connects the material to the real world. A pleasure to teach.

Dr. Nash, Chemistry

A capable student. His grade would rise with more time on homework during basketball season. I encourage steady study.

Coach Peterson

Leadership on and off the court. He sets the tone for the team, and college programs are taking notice.

Grade History

Term	GPA	Note
Freshman year	3.31	Adjusting to high school workload
Sophomore year	3.42	Steady improvement
Junior, fall	3.55	Strongest semester to date

Counselor Note

Tyler is on track for college admission and has expressed interest in business programs. Families are encouraged to review the junior year planning guide and to keep transcripts current for athletic recruiting.
