Locked rate	\$3.49 per gallon
Pre-buy total	\$1,919.50
Order date	2026-10-01
Coverage period	October 2026 through early 2027

Locking the rate on October 1 protects against the usual winter price climb. The pre-buy total is budgeted in the household workbook X01 and the utilities tracker X12. The furnace was replaced in 2020 and is on the annual service plan below.

2. Automatic Delivery

- Deliveries are scheduled by degree-day monitoring; no need to call.
- The tank is kept above one quarter at all times through the cold months.
- A delivery ticket is left at the door and emailed for the records.
- Pre-buy gallons are drawn down first at the locked rate.
- Any gallons beyond the pre-buy are billed at the prevailing cap-protected rate.

3. Annual Service Plan

Service	Frequency	Included
Furnace tune-up and cleaning	Annual, autumn	Yes
Nozzle and filter replacement	Annual	Yes
Efficiency test	Annual	Yes
Emergency no-heat call	As needed	Priority, 24 hour

The autumn tune-up is scheduled before the first cold snap, in line with the quarterly furnace check in the household routine. The home maintenance log X06 records each visit.

4. Pricing and Payment

Component	Amount
Pre-buy fuel, 550 gallons at \$3.49	\$1,919.50
Annual service plan	\$189.00
Priority emergency coverage	Included

Payment is due on the October order date. Budget treats heating oil as a seasonal line spread across the winter months; see X12 for the month-by-month usage and cost.

5. Customer Responsibilities

- Keep the fill pipe and tank gauge accessible and clear of snow.
- Report any oil smell or no-heat condition to 802-555-0660 at once.
- Maintain a clear path to the basement and furnace for service visits.
- Confirm the pre-buy order each autumn before the rate window closes.

6. Terms

This agreement covers the 2026 to 2027 heating season. The locked rate applies only to the pre-bought gallons. Unused pre-buy gallons carry to the following season or are refunded at the customer's choice. The service plan renews each autumn unless cancelled. Full terms are available on request.
