

Shop Safety Waiver and Acknowledgement

Acknowledgement

I acknowledge that welding, cutting, and machine work at Three Rivers Trade Academy carry inherent risks, including burns, eye injury, fume exposure, and cuts. I agree to follow all posted safety rules and instructor directions.

Personal Protective Equipment

I will wear the required helmet, gloves, jacket, and steel-toe boots at all times in the welding bay, and I will not operate any machine before receiving the instructor's safety sign-off.

Conduct

I will keep my work area clear, observe the fire-watch rule after hot work, and report any equipment fault to the instructor immediately.
