

Care Coordination Notes - Greenfield Senior Living

Resident

Mary Petersen, mother. Resides at Greenfield Senior Living in Mt. Lebanon. Sharp mentally; mobility has declined since a 2024 hip replacement.

Visit Schedule

Steve visits every Thursday afternoon, roughly four to five-thirty. Quarterly care meetings are attended together with sister Rose.

Cost Sharing

Monthly assisted-living cost is 1,800 dollars, split evenly between Steve and Rose at 900 dollars each. Payment is reviewed on the first of the month.

Care Notes

Encourage the physical-therapy walking routine. Mary still corrects the family dumpling technique and enjoys company at mealtimes. Flag any change in mobility or appetite to the family promptly.
