Residential dwelling for Tenant and named occupant only.

Limited home occupation permitted under Beaverton City Code section 60.40.030: light food preparation activity associated with Tenant's existing cottage food permit (Multnomah County MC-DK-2024-1187). Landlord agrees that the existing food prep in the dwelling unit (tourtière catering, "Cuisine du Nord") does not violate Tenant's use rights so long as:

- a. No regular foot traffic of customers to the unit
- b. No commercial signage on the building exterior
- c. No exterior noise after 9:00 PM
- d. Loading dock activity confined to the covered parking assigned to Tenant (Space 104A) and the visitor space (Space V-12) used only for loading at delivery times
- e. Tenant maintains liability insurance covering the activity (general liability \$1,000,000 with Hiscox, certificate provided to Landlord on file 14 Jan 2025)

This clause may be re-evaluated at lease renewal in light of Tenant's planned transition to a commercial kitchen.

Covered Space: Space 104A (assigned)
Vehicle on file: 2019 Honda CR-V, Plate WTR 4192
Visitor Use: Standard rules apply, visitor permits available at the office (Tenant has standing permission to use Space V-12 for catering supply loading, confirmed Jan 2025)

7. PETS

=====

None. Tenant agrees not to keep pets without prior written consent. No pet deposit on file.

=====

8. RENEWAL

=====

Either party must give written notice of intent not to renew no later than 60 days before lease end. Without such notice, this lease auto-converts to a month-to-month tenancy at the then prevailing market rate (currently estimated at \$1,795).

Tenant's intent:

Tenant has informally indicated to leasing office that renewal at the current unit is preferred IF a unit with a garage becomes available in Q4 2026. Tenant placed on waitlist for Buildings 7 and 9 (units 712, 718, 902, 906). Anticipated availability December 2026. If none open, Tenant intends to renew current unit for 12 months at \$1,725.
