COTTAGE FOOD OPERATOR, PRE INSPECTION SELF AUDIT
Permit MC-DK-2024-1187 renewal cycle, expiring 16 Nov 2026

=====

Operator: Yves Quinn, dba Cuisine du Nord
Premises: 14250 SW Allen Blvd, Apt 104, Beaverton OR 97005
(Note: home kitchen, Cedar Ridge Apartments,
ground floor unit, dedicated production zone)
Phone: (503) 555-0192
Email: yves.quinn@voissync.ai
Self audit completed: 21 October 2026
Inspector visit scheduled: 5 November 2026, 9:30 to 11:30 AM
Inspector assigned: K. Boudreau, Multnomah County
EH (kara.boudreau@multco.us)
Renewal application due: 16 November 2026

=====

SECTION A: PRODUCT AND LABEL COMPLIANCE

=====

- [X] Cottage food product list current and on file
(tourtière variants, cretons, tarte au sucre, maple
crème brûlée)
 - [X] All labels show the cottage food statement in 10 pt or larger:
"Made in a domestic kitchen that is not licensed,
inspected or regulated by the Oregon Department of
Agriculture, prepared by Yves Quinn, Beaverton OR."
 - [X] Allergen statement on every label (wheat, egg, soy, sesame
where applicable, dairy where applicable)
 - [X] Net weight on jarred cretons (8 oz)
 - [X] No prohibited products on the line (no acidified foods, no
cured meats sold separately, no refrigerated baked goods)
 - [X] Réveillon promo flyer (pres2.pdf) matches actual product
list
- =====

SECTION B: KITCHEN STRUCTURE

=====

- [X] Kitchen used for cottage food is the same kitchen used for
family meals (no separate add on, no garage prep, no patio
prep, all on the books)
 - [X] Hot and cold running water at the sink
 - [X] Hand washing sink separate from food prep sink (kitchen island
sink dedicated to handwashing during production windows, with
paper towels and soap stocked)
 - [X] No pets in the kitchen during prep (Yves and Luc have no pets,
confirmed)
 - [X] Lighting at prep surfaces measured 280 lux at counter
(standard household ceiling fixture plus 2 LED puck lights,
above county minimum of 215 lux at prep surface)
 - [X] Ventilation: range hood operational, vented to exterior
 - [X] Walls and floor finished and washable (vinyl plank floor,
painted drywall, in good condition)
 - [X] No carpeting within 6 ft of prep zone (apartment carpet stops
at kitchen threshold)
- =====

SECTION C: EQUIPMENT

=====

- [X] Commercial plancha installed (used for catering preheat only,
not retail-sold product, dedicated cleaning protocol)
- [X] KitchenAid stand mixer cleaned and sanitized between batches
- [X] Instant Pot cleaned and dedicated to soupe aux pois (no cross
use with raw protein)
- [X] Vacuum sealer used only for portioning finished, cooled product
- [X] Cutting boards color coded (red raw meat, green produce,
yellow cooked, blue fish, white dairy)

- [X] Knives cleaned and sanitized between proteins
- [X] Refrigeration: home fridge holds 38 F (verified with calibrated thermometer 21 Oct), chest freezer in laundry closet holds 0 F or below
- [X] Catering supply shelving unit separated from food storage, no chemicals adjacent

=====

SECTION D: STORAGE AND COLD CHAIN

=====

- [X] Raw protein stored below cooked product in fridge
- [X] Restaurant Depot bulk order receipt log maintained (5.xlsx, Documents)
- [X] Cold chain from RD pickup to apartment under 30 minutes, coolers used in summer months
- [X] Frozen tourtière retail product labeled with batch date, sell by 90 days from freeze
- [X] Cretons jars dated, 14 day refrigerated shelf life max, not sold beyond date

=====

SECTION E: RECORD KEEPING

=====

- [X] Gross sales log maintained (rolling 12 month, see 3.xlsx P&L) Year to date 28 February 2026: \$4,050 (well under the \$20,000 cottage food gross sales threshold per quarter test, audited quarterly)
- [X] Customer complaint log (zero entries since permit issued November 2024)
- [X] Allergen incident log (zero entries)
- [X] Square sales reports stored, accessible to inspector
- [X] Recipe and ingredient sourcing documents on file

=====

SECTION F: TRAINING

=====

- [X] Oregon Food Handler card current, Yves Quinn, expires 14 April 2027
- [X] Oregon Food Handler card current, Luc Quinn, expires 22 August 2027
- [X] Émile Quinn food handler card current, expires 7 January 2027 (renew before December event)
- [X] Sienna Park ServSafe Manager (Copperstone) on file as consulting recipe developer, not handler at home kitchen

=====

OUTSTANDING ITEMS BEFORE INSPECTION

=====

- [] Recalibrate fridge thermometer one more time, morning of 5 November
- [] Replace handwashing sink soap dispenser (one is loose)
- [] Print updated product list for K. Boudreau handoff
- [] Move catering supply boxes from living room into the bedroom closet during inspection window (cosmetic, not required, but better optics)
- [] Move Papa Luc to the parish basement during the 9:30 to 11:30 window so the inspector has clear access

=====

RENEWAL FEE AND PAYMENT

=====

Renewal fee: \$230.00, payable Multnomah County Treasurer.
Filed via county portal by 16 November 2026.
If inspector visit on 5 November surfaces no findings, renewal goes through within 7 business days.

=====

PREPARED BY: Yves Quinn, operator, 21 October 2026.
