## Customer Lead Intake Form, Blank Template

This blank intake form is filled out by the shop when a new customer calls or emails for the first time. The completed form is filed in the customer file and seeds the customer record in the operations system.

|                          |                                               |
