

VOLUNTEER WAIVER AND RELEASE

Community Workday, Outdoor Activities

I, the undersigned volunteer, acknowledge that I am participating in a community workday on a voluntary basis. I understand that the activities of the workday may include outdoor garden work, light material handling, the use of standard hand tools, and movement around an outdoor site that may have uneven ground, leaf litter, and water hoses.

I represent that I am in a physical condition that allows me to participate safely. I will follow the directions of the workday lead and will not undertake any activity that I am not comfortable performing. If at any time during the workday I feel unwell or unsafe, I will notify the workday lead and step back from the activity.

I release the workday organizers and the partner organizations from any claim arising from my voluntary participation, except in cases of gross negligence or willful misconduct. I understand that this release is binding on me, on my family, and on my heirs.

I consent to the use of photographs taken at the workday for the documentation and promotional purposes of the workday organizers, provided that no commercial use is made without my separate written consent.

I have read and understood this waiver. I sign it freely as a condition of my participation.

Workday Lead Acknowledgement

The workday lead acknowledges receipt of the signed waiver and confirms that the volunteer has been briefed on the day safety protocol prior to being assigned to a work block. Signed waivers are retained by the workday organizer for one year and then securely destroyed.

This document is a template. It is not specific to any single workday. The workday lead may add supplemental site specific instructions on a separate page.
