

Q2 Self Employment Worksheet

PorterClayWorks - Schedule C draft, Q2 2026

Reference worksheet, blank template. Not the return.

Line	Description	Amount
1	Gross pottery income (Etsy + markets + custom)	_____
2	Cost of materials (clay, glaze, kiln consumables)	_____
3	Processing fees (Etsy, Stripe, PayPal, Square)	_____
4	Shipping and postage	_____
5	Booth fees and market registration	_____
6	Packaging and labels	_____
7	Business mileage (Q2 miles times IRS rate)	_____
8	Studio equipment depreciation (kiln, wheel, roller)	_____
9	Total expenses (2 through 8)	_____
10	Net Q2 pottery income (1 minus 9)	_____
11	Self employment tax estimate (line 10 times 15.3%)	_____
12	Federal income tax estimate (bracket)	_____
13	State income tax estimate (Oklahoma)	_____
14	Q2 quarterly estimated payment due	_____

Notes

The accountant runs the actual quarterly estimator through Gusto. This worksheet is just my own back of the envelope check before I send the numbers over. Use QuickBooks totals for lines 1 through 8 and reconcile with Xero.

Do not confuse this Q2 sheet with the current Q3 close (July through September). Q2 was April through June and is already filed.

Blank template scan. Not load bearing for this morning's work.
