

Skutt KM 1027 Kiln - Warranty Registration

Household document. Not related to the pottery close.

Product

Skutt KM 1027 Electric Kiln
Serial Number: KS10-278-4491
Purchase Date: 2023-06-12 (used, from a retiring potter in the Ozarks)
Purchase Price: 1800 dollars
Original owner registration on file with Skutt for parts warranty.

Coverage

Standard Skutt warranty on elements, thermocouples, and controller board. Extended coverage on the kiln shell for 5 years.

Note: The original owner transferred the warranty to me at purchase in 2023. Warranty is currently in year 3 of 5 for extended shell coverage.

Service history

2024 spring: element replaced (routine wear), covered under warranty.
2025 fall: thermocouple recalibration, covered.
2026 spring: routine inspection, no work needed.

Support contact

Skutt customer service, service.skutt.example
Regional service tech (Oklahoma): Roy Denton, roy.denton.example
Local ceramic supply shop for parts: Ceramic Supply Co, Tulsa

Filed for reference. Not a task. Not for the Q3 books unless the accountant asks for the depreciation basis.
