

Financial Overview - Carlos Whitfield

As of September 28, 2026

Monthly Income

Pension (Cascade Precision): ,800/month

Social Security: ,650/month

Total Monthly Income: ,450/month

Expenses (YTD through September)

Total YTD Expenses: ,607

YTD Budget: ,288

Variance: - (under budget)

Monthly Average: ,957

Monthly Surplus: ~,494

Biggest underrun: Prescriptions at - YTD. Budget of /month was roughly double actual spending of ~/month.

Biggest overrun: Groceries at + YTD. Summer produce and batch-cook supplies.

Credit Card (Visa)

YTD Charges: ,975

Monthly Average:

Carried Balance: (paid in full monthly)

Assets

Checking: ,215.38

Savings: ,142.75

IRA (Fidelity): ~,000

Home (Birchwood Lane): ~,000 (no mortgage)

Vehicle (2019 Camry): ~,500

Total Estimated Net Worth: ~,858

Furnace Replacement Readiness

Estimated cost: ,500-,500. Savings can absorb all scenarios. Recovery: 3-6 months at current surplus rate. Rebate potential: ,400-,800.

Prescription Cost Analysis

Budget: /month (,220/year). Actual: ~/month (,120/year projected). Net savings from 2026 changes: /year (atorvastatin generic switch offsets metoprolol dose increase). Recommendation: Adjust 2027 budget to /month.
