

Reed Security Notes Q1 2027 P and L, Reconciled

Status: draft, awaiting Carlos Reed approval. Draft-only. No filing.

Prepared: January 30, 2027. Coverage: January 1, 2027 through June 1, 2027.

Reconciliation Method

Primary ledger: QuickBooks. Secondary review: Xero. Cash truth: Stripe and Square settled.

Sponsor revenue lines pull only from Stripe settled amounts posted through QuickBooks. HubSpot closed-won is treated as pipeline intent, not realized revenue.

Open holds are shown as memo lines with 0 accrued to Q1 revenue.

Cross-Check

QuickBooks Q1 2027 line items reconcile against Xero. Rapid7 \$250 wire-fee credit missing in Xero secondary ledger; QuickBooks primary trusted for that row. Sysdig \$200 CRM inflation not posted in either ledger; informational only. Corelight \$700 residual held out. Vectra AI \$2,500 receivable held out pending collections.
