Q4 2026 PRICING SCHEDULE

Effective: November 1, 2026 through January 31, 2027

Prepared: October 2, 2026

Dear valued customer,

Thank you for your continued business with Wheeler County Hay Company. Below is our Q4 2026 pricing schedule for round bales, square bales, and bulk delivery. Prices reflect current drought conditions across the Panhandle and rising input costs. We are committed to holding inventory for our regular customers through the winter.

Please note that prices are subject to change based on supply conditions. We recommend locking in your November and December orders by October 20 to guarantee availability at posted prices.
