WARRANTY AND PRODUCT CARE

The Digital Meat Probe (SKU TOOL-PRB1) carries a 90-day manufacturer warranty against defects in materials and workmanship. Retain receipt SMK-20260914-0847 as proof of purchase; warranty claims without a receipt are handled at store discretion. Register the probe at thesmokershop.com/warranty within 30 days to extend coverage to 6 months at no charge.

- Digital probe: hand-wash the stem only, never submerge the transmitter head; store in the padded case away from direct heat.
- Heat-resistant gloves: air-dry fully between cooks; do not machine wash, as it breaks down the aramid lining rated to 932 F.
- Hickory chunks and cherry chips: keep sealed and dry; damp wood smolders cool and turns bitter. Rotate stock oldest first.
- Competition rub blend: shelf-stable 18 months sealed; label the open date and keep out of humidity near the pit.

RETURN AND EXCHANGE POLICY

- Unopened consumables (rubs, wood, injections) returnable within 30 days with receipt for full refund to original tender.
- Equipment returns within 30 days; a 15 percent restocking fee applies to opened electronics unless defective under warranty.
- Special-order smoker parts and custom offset firebox components are non-refundable once the order is placed.
