TERMS AND CONDITIONS (CONTINUED)

- Broker arranges transportation and is not the motor carrier; carriers are independent contractors solely responsible for operation and safety.
- Shipper agrees not to pursue direct routing with a broker-introduced carrier for 12 months following introduction.
- Indemnification runs both ways for each party's own negligence; neither party is liable for consequential damages.
- Either party may terminate on 30 days written notice; obligations on loads in transit survive termination.
- This agreement is governed by the laws of the State of Tennessee; venue lies in Knox County.

RATE AND PAYMENT TERMS

Current contracted rate	\$4.70 per mile
Historical lane average (2025)	\$4.65 - \$4.75 per mile
Payment terms	Net 30 from delivery confirmation
Fuel surcharge	DOE Midwest index, weekly
Detention	\$50/hr after 2 free hours

Any rate change must be confirmed in writing by both parties before it takes effect. The next scheduled rate review is Q1 2027; interim quotes outside the historical lane band should be flagged to the broker for approval before dispatch.
