NATIONAL ORGANIC PROGRAM

ORGANIC CERTIFICATE

This is to certify that the following operation has been found to be in compliance with the USDA National Organic Program regulations (7 CFR Part 205) as verified by the certifying agent listed below.

Certificate No: WA-ORG-2026-04182
Issue Date: February 12, 2026
Expiration Date: February 11, 2027
Certifying Agent: Washington State Dept of Agriculture (WSDA) Organic Program

CERTIFIED OPERATION

Operation Name: Hoffman Organics LLC
Operator: James R. Hoffman
Address: 7214 Wide Hollow Road, Yakima, WA 98908
County: Yakima County, Washington
Total Acreage: 12 acres certified organic cropland

SCOPE OF CERTIFICATION

Crops: Mixed vegetables (tomatoes, peppers, squash, lettuce, kale, chard, carrots, beets, onions, garlic), culinary herbs (basil, cilantro, dill, parsley, rosemary, thyme), orchard fruits (apples - Honeycrisp and Fuji varieties), and seasonal flowers for direct market and CSA distribution.

Handling: On-farm washing, grading, and packing for farmers market, CSA box, and restaurant wholesale delivery. No processing facility. Value-added products limited to barbecue sauce produced under separate co-packing agreement.

INSPECTION HISTORY

Annual on-site inspection conducted: January 28, 2026
Inspector: Maria Chen, WSDA Organic Inspector (License WA-OI-1147)
Previous inspection: February 3, 2025
Initial certification date: March 2019
Continuous organic certification maintained since initial certification.
Next annual inspection due: January/February 2027

CONDITIONS

This certificate is issued subject to the following conditions:

1. The certified operation shall comply with all provisions of 7 CFR Part 205.
2. Any changes in practices, inputs, or land use must be reported to the certifying agent prior to implementation.

3. The operation is subject to unannounced inspections.
4. Continued certification is contingent upon successful completion of annual review and inspection.
5. This certificate may be suspended or revoked for noncompliance.
