

Japchae (Korean Glass Noodles)

From Soon-Hee, adapted by Jacob. Serves 4.

Ingredients

- 8 oz sweet potato glass noodles (dangmyeon)
- 4 dried shiitake, rehydrated and sliced
- 1 carrot julienned; 1/2 onion; handful spinach
- 3 tbsp soy sauce; 2 tbsp sugar; 2 tbsp toasted sesame oil
- 2 cloves garlic; toasted sesame seeds

Method

1. Boil noodles 6-7 min; rinse, cut, toss with a little sesame oil.
2. Stir-fry vegetables separately to keep colors distinct.
3. Blanch spinach; squeeze, season lightly.
4. Combine all with soy-sugar-sesame sauce; finish with seeds.

Note: a GERD-friendly weeknight dish - no tomato, easy on the spice.
