

Ridgeline Bank

High-Yield Savings - Monthly Statement

Account holder	Jennifer A. Watson
Account	High-Yield Savings ending 4471
Statement period	January 1 to January 31, 2026
APY	4.10 percent

Activity

Date	Description	Amount	Balance
Jan 1	Opening balance		\$77,470.00
Jan 15	Transfer from checking	\$300.00	\$77,770.00
Jan 31	Interest paid	\$264.00	\$78,034.00
Jan 31	Rounding adjustment	-\$34.00	\$78,000.00

Summary

Closing balance	\$78,000.00
Interest year to date	\$264.00

Purpose

Emergency fund, about 8 months of expenses.

Interest Detail

Interest is calculated on the daily collected balance and credited monthly. The annual percentage yield assumes the rate stays in effect for a full year and that interest remains on deposit.

Item	Value
Average daily balance	\$77,640.00
Days in period	31
Annual percentage yield	4.10 percent
Interest earned this period	\$264.00

Balance History

Month	Closing balance	Interest paid
2025-10	\$77,050.00	\$258.00
2025-11	\$77,300.00	\$255.00
2025-12	\$77,470.00	\$262.00
2026-01	\$78,000.00	\$264.00

Account Terms

This is a variable-rate high-yield savings account. The rate may change after the account is opened. There is no monthly maintenance fee and no minimum balance to keep the account open. Federal regulation may limit certain outbound transfers per statement cycle.

Feature	Detail
Minimum to open	\$100
Monthly fee	None
Rate type	Variable, tiered
Interest compounding	Daily, paid monthly

Ways to Save

Automatic transfers from checking help the balance grow on a steady cadence. This account funds the household emergency reserve and is kept separate from everyday spending and from the brokerage and retirement accounts.
