GRANT AWARD NOTIFICATION - YEAR 2 CONTINUATION

Reference: WAADA/2024/CASSAVA/NNU/007-Y2

Date: 15 January 2026

Dear Dr. McBride,

The West African Agricultural Development Authority (WAADA) Grants Review Committee is pleased to confirm the release of Year 2 funding under the above-referenced grant award. Your Year 1 technical and financial reports were reviewed and assessed as satisfactory, and the programme is proceeding on schedule.

Grant Details

Grant Reference:	WAADA/2024/CASSAVA/NNU/007
Project Title:	Biofortification of Cassava for Vitamin A Enhancement in Smallholder Farming Systems, Enugu State, Nigeria
Lead Institution:	Nsukka National University (NNU), Department of Crop Science
Principal Investigator:	Dr. Layla McBride, Senior Research Fellow and Lecturer II
Grant Period:	Year 2: 1 February 2026 to 31 January 2027
Total 3-Year Award:	NGN 25,500,000 (Twenty-Five Million Five Hundred Thousand Naira)
Year 2 Disbursement:	NGN 8,500,000 (Eight Million Five Hundred Thousand Naira)
Disbursement Account:	NNU Research Grants Account, Zenith Bank Nsukka Branch

Year 2 Deliverables and Conditions

- Complete Udi LGA field trial assessments for all 24 test plots before the close of the main growing season, target November 2026.
- Submit Year 2 interim progress report to WAADA by 31 October 2026 (format as per WAADA template R-12).
- Maintain updated Airtable field data records accessible to WAADA M and E team.
- Minimum one peer-reviewed paper submitted by Year 2 close.
- All procurement above NGN 150,000 requires three-quote evidence before payment.
- No staff changes to the core research team without prior WAADA written approval.

The Year 2 disbursement will be transferred in two tranches: NGN 4,250,000 on 1 February 2026 and NGN 4,250,000 on 1 October 2026, subject to receipt and acceptance of the interim progress report.

Please acknowledge receipt of this letter by return email to grants@waada-africa.org within five working days.

Yours sincerely,

Dr. Kofi Mensah
Director, Research Grants Division
West African Agricultural Development Authority
