Article Type	Research Article

Dear Dr. McBride,

Thank you for submitting your manuscript to the Journal of Crop Improvement. Your submission has been received and assigned the manuscript ID above. You can track its progress through the online system using your author login.

The manuscript will now be assessed by the editor and, if suitable, sent for peer review. This process typically takes eight to twelve weeks. We will contact you when a decision is reached. Please quote the manuscript ID in all correspondence.

Kind regards, Editorial Office, Journal of Crop Improvement.
