HOW TO RENEW

Renew online at the board portal or by mail once the remaining hours are logged. The code update course is scheduled for October 2026, which reports the final 4 hours and satisfies the code requirement in one sitting. Confirm the provider has reported all 12 hours before submitting the renewal.

Late renewal after December 31, 2026 carries a 75.00 reinstatement fee. A license lapsed more than 60 days may require reexamination, so do not let the deadline pass.

SCOPE OF THIS LICENSE

A journeyman electrician license permits work on electrical installations under the standards adopted by the board, including residential wiring, service and panel work, and light commercial jobs. Keeping the license current is what allows unsupervised work on Alabama job sites.

KEEP FOR YOUR RECORDS

This notice is informational. Completion records update as course providers report hours to the board. Save the course completion certificates and the renewal confirmation with your records. Questions go to the board office in Montgomery.
