Remaining payments (approx)	32
Estimated final payment	around October 2028

Adding even 40 to 50 dollars to a payment trims a few months off the end of the loan and lowers the total interest paid. Any change to the auto draft amount can be set in the credit union app before the draft date.

HOW PAYMENTS POST

Payments draft automatically from credit union checking ending 4471 on the due date each month. If a paycheck lands late, watch the balance in checking around the 15th so the draft clears. A missed draft can be re-run in the app the same day to avoid a late fee.

COLLATERAL AND INSURANCE

The loan is secured by the 2020 Chevy Colorado LT, VIN 1GCGTCEN1L1238845. The lender requires continuous full coverage insurance on the vehicle for the life of the loan, with collision and comprehensive in force. The current auto policy on file meets that requirement.
