REWARDS

Description	Amount
Cashback earned this period	1.51
Cashback balance	22.40

Cashback earns at 1 percent on everyday purchases and posts as a balance that can be redeemed as a statement credit. This period is mostly gas and small truck parts, which is the usual pattern.

PAYMENT INFORMATION

Paid in full every month, so no interest accrues. The balance is paid from credit union checking ending 4471 before the due date. Paying the full new balance of 151.20 by February 28, 2026 keeps the interest charge at zero and the account in good standing.

RATES AND FEES

A purchase annual percentage rate applies only to any balance carried past the due date, which does not happen here. There is no annual fee on this card. A late payment can trigger a fee and the loss of the no interest benefit, so the autopay reminder stays on for the due date.

QUESTIONS

Dispute a charge within the period shown on the statement if something looks wrong. Manage the card and see pending charges in the card app on the phone. This statement is a summary of activity for the billing period above.
