Billing email	leah.pierce@Finthesiss.ai
Bill period	December 14, 2025 to January 13, 2026
Due date	February 5, 2026

LINE

Wireless number	256-555-0162
Device	smartphone (paid in full, no installment)
Plan	Unlimited Starter

CHARGES

Description	Amount
Unlimited Starter plan	50.00
Taxes and regulatory fees	5.00
Autopay discount	0.00
Total due	55.00

PLAN DETAILS

The Unlimited Starter plan includes unlimited talk, text, and data on one line. Data is plenty for phone only living, since there is no home computer at the apartment. When a full browser is needed for taxes or a long form, Kyle's laptop covers it. The device is paid off, so the bill is just the plan and fees, no installment.

PAYMENT

Autopay draws from credit union checking ending 4471 on the due date. Paperless billing is on, so the statement arrives by email at leah.pierce@Finthesiss.ai. Manage the account, see usage, and change the plan in the carrier app on the phone.

USAGE SUMMARY

Talk, text, and data are all within the unlimited plan with nothing extra billed this period. Most use is during the day at work and on drives, with the phone handling everything from the calendar to the bank apps. No roaming or overage charges applied.

NOTES

One line, no work phone. Work texts with Hank come to this same number, so the personal line does double duty. Keep autopay on so a busy month does not push the bill late. Questions on the account are handled in the app or by the number on the carrier site.
