DRIVER AND DISCOUNTS

The named insured is the only rated driver on this policy. Discounts applied include autopay and a claim free record. The full coverage collision and comprehensive on the vehicle also satisfies the lender requirement on the auto loan, since the truck is financed.

PAYMENT

Billed monthly at 140.00, autopay from credit union checking ending 4471. Twelve monthly payments total the 1,680.00 annual premium. Keep the card image on the phone for proof of insurance at a stop or a service visit.

THE PROJECT TRUCK

The 1987 C10 is a project, not on the road, so it is not on this policy yet. Add it once it runs and gets tagged. Call the Decatur office to adjust coverage when that day comes, likely a limited use or storage rate until it is a daily driver, which it will not be.

HOW TO FILE A CLAIM

After an incident, get to safety, document the scene with the phone, and call the Decatur office or the claims line on the card. Comprehensive covers things like glass, weather, and theft with the 250 deductible. Collision covers a crash with the 500 deductible.

POLICY CONDITIONS

This declarations page summarizes the coverage in force for the policy period above. The full policy contract controls the exact terms, exclusions, and conditions. Report any change of address, vehicle, or use to keep the coverage accurate. Questions go to the Decatur office.
