INSPECTION NOTES

- Brakes: front pads about 50 percent, rear good. Watch the fronts.
- Tires: even wear, rotated, tread fine.
- Fluids: topped washer fluid, others in range.
- Battery: tested good, holding charge.
- Next oil change due about 55,000 miles or roughly December 2026.

RECOMMENDATIONS

Front brake pads are wearing but have life left. Plan to price front pads and rotors near the next visit rather than now. Nothing urgent, the truck is in good shape for the mileage and the highway commute it sees.

NEXT SERVICE

The December inspection and oil change for the Colorado is already on the calendar for December 5, 2026. Call ahead to book a morning slot so it does not eat a work day. Rotation is included again at that visit.

WARRANTY AND PAYMENT

Parts and labor on this service carry the standard shop warranty for 12 months or 12,000 miles, whichever comes first. Keep this invoice for the record and the warranty. Paid in full with the rewards card ending 3092. Thank you for the business.

SHOP HOURS

Open weekday mornings through late afternoon and Saturday mornings. Appointments move faster than walk ins for an oil change. Questions on this invoice go to the shop at 256-555-3380.
