

Valley Community Health Center

120 Prairie Avenue, Valley Ridge, SD 57769 (605) 555-0100

AFTER VISIT SUMMARY

Patient: Lisa Hoffman
DOB: 11/14/1958 (Age 67)
Visit Date: February 12, 2026
Visit Type: Annual Wellness Examination
Provider: Dr. James Horton

Vitals

Blood pressure 138/84 mmHg. Pulse 68. Weight 162 lb. Height 5 ft 5 in. BMI 27.0. Temp 98.2 F.

Assessment

1. Type 2 diabetes, controlled. A1C 7.2, improved. Continue Metformin.
2. Hypertension. Slightly above goal. Continue Lisinopril 20 mg, recheck home logs.
3. Osteoarthritis, both knees. Continue Meloxicam. Knee replacement discussed and deferred again by patient choice; revisit next year.
4. Early cataracts. Continue annual ophthalmology. Next exam scheduled in Rapid City.
5. Health maintenance up to date. Flu and COVID vaccines current.

Plan

Quarterly labs (A1C, lipids, kidney function). Keep home BP and glucose logs. Continue low-sodium and carb-conscious diet, daily walking as knees allow. Return for next annual physical in February 2027.

Electronically signed by Dr. James Horton, February 12, 2026.
