Notes

Thank you, Megan. Your account is paid in full. Medicare does not include routine dental coverage, so this visit was billed as self pay at our established patient rate. A standard recall interval of six months is recommended for cleaning and examination. Our front desk will call the number on file to arrange your next appointment for the autumn of 2026. Please bring your updated medication list, including the amlodipine and inhaler therapy noted in your chart, so we can keep your records current.

If you have questions about this statement, contact our billing office at 860-555-0274 between 8:00 AM and 4:30 PM, Monday through Thursday. Payment may be made by check or in person at the front desk.
