SETUP NOTES (National Medical Supply Technician)

Equipment delivered and installed at 48 Elm Street on December 15, 2025. Unit: Philips Respironics EverFlo, S/N NMS-88472-2025. Patient and son David Turner (860-555-0118) instructed on operation, tubing connection, cannula fitting, and alarm response. Patient demonstrated correct startup procedure. Emergency contact confirmed.

Patient instruction sheet provided. Do not adjust flow rate. Keep unit 6 inches from wall. Clean cannula weekly. Call National Medical Supply at 860-555-0610 for equipment issues.

Signed: Nina B. Chowdhury, MD | December 10, 2025
