Q3 2026 Commission Statement

This statement reconciles Q3 2026 agent-commissionable billings against gross client billings for Jesse Page. Commission owed to HCM is calculated on the agent-sourced subset only, with the standing carve-outs (Oatly pre-agent retainer exempt, PayPal-fee net on cookbook milestones) applied per the Apr 2025 agreement Section 5.1 and the vault policy note Policies/tomas_commission_carveout.md.

Client: Jesse Page. **Period:** Jul 1 through Sep 30, 2026 (Q3). **Commission rate:** 15% on agent-sourced gross (PayPal rows: 15% on gross MINUS PayPal fee).

Q3 net commission owed to HCM: \$2,407.50. **Payment due:** Oct 31, 2026 via Stripe (invoice HCM-INV-2026-Q3-019 sent under separate cover Sep 30).

* PayPal-rail commission rate is 15 percent applied to GROSS NET OF PAYPAL FEE, not gross. See Section C for the PayPal fee carve-out math.

Section B: Commission policy (verbatim, per AGENTS.md commission policy clause)

1. HCM commission is 15% of gross agent-sourced billings, calculated per billing period (quarterly).
2. Retainer relationships with brands that predate the HCM contract (Apr 5, 2025) are EXEMPT. The Oatly NA retainer (Mar 2025) predates HCM by three weeks and is exempt for the full retainer life.
3. PayPal-rail billings for the Salt + Press cookbook are subject to a fee carve-out: commission is calculated on the gross MINUS the PayPal receive-side fee (2.99% + \$0.49 US).
4. Print storefront revenue (Etsy, Amazon Seller) is not agent-sourced; EXEMPT from commission.
5. Pic-Time licensing revenue is not agent-sourced; EXEMPT from commission.
6. Any brand billing that flowed through Tomás (agent-sourced by definition or subsequent-relationship post-Apr 2025) is subject to the full 15%.

Section C: PayPal-fee carve-out math (worked example)

Line	M1 (Aug 20)	M2 (Sep 20)
Gross invoice	\$4,000.00	\$4,000.00
PayPal fee (2.99% + \$0.49)	\$120.09	\$120.09
Net after PayPal fee	\$3,879.91	\$3,879.91
Commission on net (15%)	\$581.99	\$581.99
Commission on gross would be	\$600.00	\$600.00
Carve-out savings to Jesse	\$18.01	\$18.01

The row-level statement uses \$582.36 (rounded to whole-cent policy per HCM ledger; source spreadsheet carries 4-decimal precision). Cumulative Q3 PayPal carve-out savings to Jesse: \$36.02.

Section D: Rail summary

Rail	Gross	Commissionable gross	Commission	Notes
Stripe	\$29,940.00	\$16,400.00	\$1,242.78	Exempt lines: Oatly retainer (3x), Pic-Time (2x), Etsy/Amazon storefront (5x)
PayPal	\$8,000.00	\$7,759.82	\$1,164.72	Two cookbook milestones; both carry PayPal-fee carve-out
Total	\$37,940.00	\$24,159.82	\$2,407.50	Q3 commission owed

Section E: Cross-reconciliation with Jesse ledger (advisory only)

Jesse's QuickBooks Self-Employed export 2026-09-30 shows total Q3 gross of \$23,840 for the client subset that HCM tracks. Delta of \$14,100 vs the Q3 gross above (\$37,940 - \$23,840) represents non-tracked lines (Oatly retainer \$4,500 tracked separately by Jesse as retainer, PayPal cookbook M1 + M2 \$8,000 tracked in Jesse's cookbook separate ledger, Pic-Time \$420 + storefront \$1,180 tracked in Jesse's separate print/licensing ledger). This is expected and does NOT indicate a discrepancy.

Ravi Krishnamurthy (Jesse's CPA) will cross-check at Q3 close (Oct 8 sync). Jesse's Ravi-side worksheet (Ravi_Q3_2026_deduction_worksheet.xlsx) carries the \$2,407.50 line in the expenses column with Schedule C line 17 (commissions and fees).

Section F: Note on Stripe pending-payout status

Three of the Section A Stripe lines flagged [PENDING_PAYOUT] were captured by Stripe risk-tier delay setting (2 business days on charges over \$1,000). Cash has not landed in Jesse's Chase Business Checking as of statement date. HCM commission is owed on these lines regardless of payout timing (accrual basis per Apr 2025 agreement sec 5.1). The Ravi packet addresses the cash-vs-accrual treatment separately.

Specifically: 2026-08-14 Tangerine summer editorial day plus retoucher (ch_3QZ8tF2Lp7nXa01k, \$2,100), 2026-08-28 Estrela seasonal reshoot half day plus expedite (ch_3QZ8uG3Mq8oYa02l, \$1,800), 2026-09-09 Salt + Press cookbook progress shoot day (ch_3QZ8vH4Nr9pZa03m, \$1,500). All three commissionable, all three in pending_payout.

Section G: Q4 2026 outlook (agent-sourced pipeline)
