

Building Purchase - Closing Document Checklist

Property: 4820 Grand River Ave, Detroit MI 48208. Prepared for Natalie Dunn. Status as of 18 October 2026.

This checklist tracks which pieces of the closing are done and which are still waiting on Natalie's signature. The binding purchase price is the signed offer figure of 305,000. Other figures that appear on withdrawn paperwork carry no weight.

Envelope Status

Document	Status	Figure	Reading
Signed Purchase Offer	Completed	305,000	The binding price. Signed and executed. Governs everything downstream.
Seller Disclosure Statement	Completed	n/a	Executed. No open action.
Title Commitment Acknowledgement	Completed	n/a	Executed. No open action.
Final Closing Disclosure	Awaiting signature	n/a	Open item. Sent and sitting unsigned. Natalie's signature still needed before closing is complete.
Superseded Prior Offer	Voided	312,000	Withdrawn earlier draft. Replaced by the signed offer. Set aside, it carries no weight on the price.

Price Corroboration

The completed signed offer envelope corroborates the 305,000 binding price. The 312,000 on the voided envelope is a withdrawn number and does not bind. The only open readiness item on the closing is the final closing disclosure awaiting signature.
