COMBINED HOUSEHOLD PREMIUM

Aaron Garcia (MTL-48293-006-ANG): \$92.00/month

Eleni Garcia (MTL-48294-006-ELG): \$72.00/month

TOTAL MONTHLY: \$164.00/month

Annual combined: \$1,968.00/year

Note: Household budget reflects this as approximately \$210/month combined.

Difference represents MetLife whole-life policy on Aaron (\$500K, earlier policy, additional \$46/month - see separate policy documents). Total life insurance monthly outlay: \$210.00.

COVERAGE FEATURES

Conversion Option:

Both policies may be converted to a permanent (whole life or universal life) MetLife policy without evidence of insurability, within the first 10 years of the policy term (conversion deadline April 15, 2032 for both policies).

Waiver of Premium (Aaron's policy only):

If the insured becomes totally disabled as defined in the policy, premiums are waived after a 6-month elimination period.

Accelerated Death Benefit (both policies):

If diagnosed with a qualifying terminal illness (life expectancy 12 months or less), up to 50% of the face amount may be accelerated. Face amount reduced accordingly.

EXCLUSIONS SUMMARY

Suicide Exclusion: Benefits are not payable if death results from suicide within the first 2 years of the policy date. Both policies past this exclusion period (issued April 2022).

Material Misrepresentation: Policy voidable within 2 years of issue date if material misrepresentation made in the application. Both policies past contestability period.

War/Military Hazard: Death resulting from an act of war (declared or undeclared) is excluded per policy terms.
