Notes for the file: Qualified dividends and capital gain distributions fell within the zero percent bracket this year. Illinois return filed concurrently; Illinois does not tax retirement income, balance due zero. Refund directed to BMO Harris checking ending 4417. Recommend no change to pension withholding for 2026.

Dad: signed copies and the full return with schedules are in the green folder, same as every year. You owe me one Sunday dinner and one explanation of what a roomette is. P.
