In-Network Provider Access

Coverage is highest when you see CareFirst in-network providers. To find in-network providers, visit carefirst.com or call member services at 1-800-555-3200. The CIPH campus is served by the Johns Hopkins Health System and University of Maryland Medical System provider networks, both of which participate in the CareFirst BluePreferred network.

This is a summary document only. Full plan details are available in the Summary Plan Description on file with CIPH Human Resources and on the BambooHR employee portal.
