Subject: Chess Championship Travel Approval

Dear Principal Reyes,

I am writing to request official travel approval for the Eastwick Knights chess team to participate in the upcoming New Jersey State Scholastic Championship. We have 14 active players prepared to compete.

The estimated costs include tournament entry fees (450 dollars) and charter transportation (550 dollars), totaling 1,000 dollars. These expenses are fully covered within our current Chess Program budget allocation.

Thank you for your support of our players.

Best regards,

Hari Mooney, Mathematics Teacher and Chess Coach, Eastwick Preparatory Academy
